The Tri-M[®] Music Honor Society is the international honor society for secondary school music students. The formation of this chapter signifies Montgomery Blair High School's recognition of the importance of the arts in the development of a comprehensive educational program. The Tri-M Music Honor Society provides a means of recognizing the efforts and achievements of music students who volunteer their time and share their musical talent with others. Since 1952 more than 5,500 Tri-M chapters have been chartered in the United States and abroad, and current membership exceeds 67,000. Tri-M is a program of the National Association for Music Education.

The goal of the Tri-M Music Honor Society is to foster greater interest in band, orchestra, and choral performance and to provide more opportunities for personal musical expression. Students are selected for membership in the honor society on the basis of musicianship, scholarship, character, leadership, and service to their school and community. The organization's high standards serve to challenge students to greater effort and achievement and to encourage them in the pursuit of excellence.

ELIGIBILITY

Candidates are selected from school music students *during their junior and senior years* who exhibit exceptional scholarship, leadership, service, and character.

- **Music Participation** — Candidates must be enrolled in a school-sponsored music ensemble and/or class for both semesters of the current school year.
- **Academic Achievement** — Candidates must have maintained for the previous semester at least an **A** average grade or equivalent in music, with at least a **B** average grade or equivalent in other academic subjects.
- **Leadership** — Leadership roles in both school and community may be considered as long as they can be verified.
- **Service** — Service roles in both school and community may be considered as long as they can be verified. Service activities include any actions undertaken by the student that are done with or on behalf of others without any direct financial or material compensation to the individual performing the service.
- **Character** — Each candidate must demonstrate respect, responsibility, trustworthiness, fairness, caring, and citizenship.

Tri-M membership is an honor bestowed upon a student as a privilege, not a right.

INDUCTION CEREMONY

The induction ceremony is usually held in late October/November in the auditorium. Family and friends are invited. Attendance is required of all members, both new and continuing.

New Member Performance — Each new candidate for student membership is required to perform an approved vocal or instrumental solo, duet, or perform in a larger ensemble before their fellow chapter members.

Certificate of Membership — Every member will receive an official Tri-M membership certificate.

Tri-M Membership Pin — Every member will receive an official Tri-M membership pin.

Tri-M Membership Card — Every member will receive an official Tri-M membership card. These cards act as proof of membership at National Association for Music Education or Tri-M events.

GRADUATION

Honor Cord — During their senior year students may purchase a silk cord in pink, the academic color for music, to wear with their graduation gowns.

FEES AND COSTS

Students will be charged a membership fee to help defray the operating costs of the Tri-M chapter. If the fee presents a financial hardship, members should contact the sponsor for assistance.

ATTENDANCE AT MEETINGS

Every member is **required** to attend all meetings. Excused absences are permitted with a written note from a parent/guardian. Meeting dates and times for the entire upcoming academic year are listed below. These dates and time are also included on the calendar provided to all Instrumental Music students during the first week of fall classes and are also posted on the Music program website www.mbhsmusic.com.

PARTICIPATION IN CHAPTER SERVICE PROJECTS

Each year the chapter will determine one or more service projects. *Every member must regularly participate in all chapter project(s)*. The projects selected will fulfill a need within the school or community, and will have the support of the administration and the faculty.

****COMPLETION COMPONENTS****

In order to remain active members and in good standing, all students must fill out the **Required Completion Form** (participating in at least 5 separate listed activities) and return the signed **Requirement Chart** at the final meeting of the school year. *Any senior student who does not return these forms will not be eligible to receive an honor cord.*

OFFICERS

President — The chapter president will lead the members toward the attainment of the goals of the chapter and of the Tri-M Music Honor Society. The president will preside at all meetings of the chapter and of the executive committee. The president and the other officers will conduct the Induction Ceremony for new members and hold an election to appoint new officers to preside the following year.

Vice President — The chapter vice president will preside at all meetings of the chapter in the absence of the president, and it will be his or her duty to assist the president. If programs, special projects, or activities are planned in addition to the membership presentation ceremony, he or she will also serve as program chairperson.

Secretary — The chapter secretary is responsible for all correspondence of the chapter and will keep an accurate record of attendance, minutes, and all transactions and meetings of the chapter. The secretary will also serve as social chairperson.

Treasurer — The chapter treasurer will keep an accurate record of all monies received and disbursed, membership fees paid to the honor society, and all membership pins, cards, certificates, and insignia items secured from the national office. He or she will report at each meeting the receipts, disbursements, and cash balance on hand. The treasurer will also serve as membership chairperson.

Historian — The chapter historian will keep a comprehensive record of all programs presented by the chapter and its members, including pictures and news clippings; serve as publicity chairperson; and be responsible for compiling the chapter's entry for Chapter of the Year.
